

SECTION 678

CONTROLLER ACCESSORIES

The requirements of Section 678 are amended and expanded as follows:

678-1 SCOPE

This section specifies the requirements for the following controller accessories:

- Section 678-2 Conflict-Voltage Monitor (Model D210)
- Section 678-3 Solid State Load Switch (Model 200)
- Section 678-4 Solid State Flasher (Model 204)
- Section 678-5 Power Supply Module (Model 206)
- Section 678-6 Power Distribution Assembly (PDA #2)
- Section 678-7 Output Files
- Section 678-8 Transfer Relay (Model 430)
- Section 678-9 Input File Assembly
- Section 678-10 Two-Channel DC Isolator (Model 242)
- Section 678-11 Two-Channel AC Isolator (Model 252)

Controller accessories specified in this Section shall be designed to operate in the environment specified in Section 672.
